

Hotel Royal Santina

INCLUSIVE HOTEL

Best Western and **L'abilità Onlus**

working together to welcome guests with Autism Spectrum Disorders.

Best Western Italia and L'abilità Onlus have launched a project dedicated to guests with Autism Spectrum Disorder.

Inclusive Hotel is the name of the initiative and it aims to guarantee an **absolutely positive** stay in the hotel to people with **Autism Spectrum Disorder**, both children and adults together with their families and their carers.

This guide is dedicated to those that want to **start travelling again**.

The **services** and **strategies** listed in the guide are helpful in organising the trip and ensure a positive and welcoming experience in the hotel, guaranteeing a sense of **wellness** and **inclusion**.

To supplement the information provided **Augmentative Communication Tables** on the hotel itself and on the destination can be found in the dedicated rooms.

We wish you a pleasant stay.

General Information

The **Best Western Premier Royal Santina** is located in **Rome** in **Via Marsala, 22**.

The hotel staff has been **trained** and is **aware** of the characteristics of people with **autism spectrum disorders**, of their special needs, and knows how to make the hotel **fully inclusive**.

Mrs. **Stefania Grande** are responsible for the Inclusive Hotel project at Hotel Royal Santina.

You can contact them by e-mail at stefania.grande@rhr.it or by phone on +39 06 44875200

Do not hesitate to contact them:

- for more information
- to book a room that is adequate to the needs of a person with ASD
- to communicate any special needs
- to communicate your time of arrival

Check-In and Check-Out

The lobby of the **Hotel Royal Santina** has white sofas.

The lobby, restaurant and bar are an open space. The area is 320 mq.

Background music is played at a low volume.

To the left of the hall there is the reception desk.

The desk is lit up by colourful LED lights (red, blue, green and white) on front panels.

To the left of the desk there is a business corner and a monitor where promotional videos and images of the hotel are displayed.

To the right there is a bookshelf with books and magazines which are at the disposal of the guests and some plants in pots.

At peak times **crowding** and **increased waiting times** could induce **sensory hyperstimulation**.

During the day, the most crowded times are:

- between 7.00 am and 3.00 pm
- between 6.00 pm and 9.00 pm

It is therefore advisable to check-in and check-out outside these hours.

The hotel is always open.

Common areas

☀️ No neon lighting.

🎵 There's low volume background music.

spaces	location	characteristics
Lobby and bar	Ground Floor	<ul style="list-style-type: none"> The reception and bar are illuminated by colored LED lights There are several monitors where run images of the hotel, promotions and advertising Business corner with an internet point At the bar there is a 55-inch TV monitor tuned on news channels Counter with water and promotional and information materials
Bathroom	Ground Floor	<ul style="list-style-type: none"> The bathroom light is controlled by a sensor. Paper towels and electric hand dryers
Restaurant	Ground Floor	<ul style="list-style-type: none"> The restaurant and lobby are an open space White chairs and tablecloths Kids corner Bright coloured painting and a sculpture Noise absorbing devices on the ceiling and walls Space separators about 1.50m high
Gym	Mezzanine floor	<ul style="list-style-type: none"> Parquet floor, mirrors, water dispenser, 50-inch flat TV screen tuned to music channels Cardio equipment, weights and barbells The gym is accessible through few steps

Room

The rooms dedicated to clients with ASD are equipped with features that can help in the case of **sensory processing disorder**:

- there are no neon lights, but there is a soft lighting
- the room is located far from noise sources
- cleaning products are fragrance free
- air fresheners are not used

The **bedding** is white and a duvet is available to guests.

For specific needs, guests are allowed to bring with them their own **personal items** (**blankets** or **cushions**) and the staff will make the bed with them.

The windows in the rooms are sky / earth, it is possible to darken them completely with curtains

There is a minibar in all rooms. There is only the shower.

There is a lighting system with colourful LED lights, which can be autonomously set by the guests.

For **room service** please dial n°9 or 24.

Please contact the Reception for any **assistance** you may need.

You will also find augmentative and alternative communication material in your room concerning:

- breakfast menu
- rules of behaviour
- communication tables
- an information sheet on Rome

Restaurant

The restaurant is located on the ground floor.

A table will be reserved for you in an area of the restaurant free from anything could induce sensory processing disorder and away from busy passages.

At the restaurant:

- Breakfast from 6.30 am to 10.30 am
- Lunch from 12.30 am to 02.30pm
- Dinner from 07.00pm to 10.00 pm

The hours of **increased clients flow**, that may lead to a higher risk of sensory overload are:

between 01.00 pm and 02.00 pm

Background music is played at a low volume.

Guests can bring their **own food and drink** at the table reserved.

If you communicate any **special needs** in advance, the hotel kitchen will do the best to satisfy your requests.

You will also find in your room, the breakfast menu with **augmentative and alternative communication** symbols.
